FRAGARIA NURSERIES

1883 — 50 YEARS IN BUSINESS — 1933

L. J. FARMER, PULASKI, N. Y.

These are the greatly reduced prices we are offering our patrons this year in conjunction with the 1932 catalogue which accompanies this price list. Use the 1932 catalogue for a guide in selecting varieties, terms and for general information. No new descriptive catalogue will be issued by us in 1933. The saving will be passed along to our customers in much lower prices.

WRITE FOR PRICES

Prices of Mulch Paper, Hot Kaps, Insecticides, Fungicides, Fertilizers, Baby Chicks, Sprayers, Tree Protectors, Neponsett Flower Pots, and practically everything that we handle, have been radically reduced. Write for prices, sending list of varieties and number of each wanted.

COME AND SEE US

We desire that as many of our customers as possible, drive to our place and personally make their selections and purchases. Our stock is unusually well rooted and we have many fine specimens of trees and shrubs. No one can properly appreciate the difference between good stock and that which is poor in top and root, until they see it. Further, the advice we give, may be worth many times to you, the value of your purchases from us.

CAMPBELL'S EARLY STRAWBERRY

Of all the extra early varieties of strawberries that we have tried, the Campbell's Early is the most profitable one for us to grow on our soil, for first early market. It is a good plant maker, is hardy, winters perfectly, is enormously productive and produces the most of its crop before others begin to ripen. We have a very large stock of plants, all transplanted at \$1.50 per 100, \$10.00 per 1000.

GARDEN SPECIALITIES

The following specialities have been widely advertised in the papers by us and as long as the supply lasts, we will fill orders for any or all of them at these prices.
